FAX: 317-233-3472

***Community-Based Options for Youth and Families***  
**Intensive Home and Community-Based Wraparound Services**  
**HP Billing and Claims Support**

If you are a DMHA certified service provider for one of the Community-Based Options for Youth and Families programs and need help with Billing, Provider Enrollment or Technical Support for the Web interChange, the following information has been provided as a resource:

- Provider Enrollment Customer Service: 877-707-5750
- Claims Customer Service: 800-577-1278
- Web interChange (enrolling issues with Web interChange or technical support): 877-877-5182

You may also contact an HP Field Consultant in your area to walk you through Billing or any other Providers issues.
